To

The Deputy Director of Higher Education,  
Bilaspur and Solan, Himachal Pradesh.

Subject: -

Calibration of measuring equipment of the laboratories of Senior  
Secondary Schools of Education Department - reg.

Sir,

On the subject cited above, it is to inform you that recently Govt. of HP has decided to undertake "calibration of measuring equipments by different techniques to enable and strengthen the laboratories of Senior Secondary Schools of HP for reliability & validity in learning laboratories". The main objective of this initiative is to calibrate the instruments being used in school laboratories for qualitative results and to train, aware the personal in laboratories of different Govt. Senior Secondary Schools of Himachal Pradesh. Through this not only the quality of measurement will be maintained but also the proper working of particular instrument will be ensured.

For this purpose school wise instruments will be collected and retuned back by NRTC (*National Research & Technology Consortium* - an autonomous organization under Department of Environment, Science Tech. & Climate Change, HIMCOSTE for scientific equipment qualitative valuation & certification). The Chief Secretary to the Govt. of HP is the Chairman of NRTC.

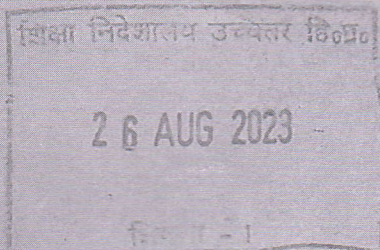

In the first phase, the instruments of Senior Secondary Schools of District Solan and Bilaspur will be calibrated. For this purpose school wise instruments will be collected and retuned back by NRTC team alongwith calibration certificates.

You are, therefore, directed to further direct all the Principals of Sr. Sec. Schools of your respective district to handover the instruments to NRTC team for calibration purpose and Nodal Officer posted in your office will also coordinate with said team under intimation to this Directorate.
