All the Principals & Headmasters
GSSSs & GHSs ,Distt. Bilaspur H.P.

Sub: Regarding updation of students Database Management System for the
year 2023-24 in UDISE+ online portal.

Memo,

This is in reference to letter No. EDN-HE(11)3(1)2021-SIS, Directorate of
Higher Education, Himachal Pradesh, dated 4/9/2023, regarding the subject cited above.

In this context, it is to inform you that as per the GOI guidelines, Samagra
Shiksha has collected the entire data of school education for 2023-24 in three modules of
UDISE+ school basic & facilities. The Govt. of India has opened student upgrade module
(SDMS) FROM 2022-23 TO 2023-24. The other two module of school basics & facilities
and Teachers will be available for updation from 2nd week of Sep. 2023.

All the Heads of GSSSs & GHSs are directed to ensure personally that the
data being filled in the portal is accurate and authentic in all respect. As the school
development funds are released on the basis of this data which is pertain to school
infrastructure and teachers.

Therefore, direction in this context may be issued to the official/s who are
responsible for the above mentioned purpose. The SDMS data at UDISE should be
updated by 25-9-2023.

Subject: - **Regarding updation of Student Database Management System for the year 2023-24 in UDISE+ online portal.**

Memo

As you all are aware that as per the guidelines received from Govt. of India. Samagra Shiksha has collected entire data of School education for 2023-24 in three modules of UDISE+ portal viz. School basic & facilities, Teachers and Students. Under student module, data of students is collected in 45 different parameters in UDISE+ (SDMS) for the year 2022-23. GOI has provided unique national ID to each student, which will be useful for the tracking of the student's journey from pre-primary to higher secondary as well as student academic performance. Now, Govt. Of India has opened student upgrade module (SDMS) from 2022-23 to 2023-24. The other two module of School basis & facilities and Teachers will be available for updation from the 2nd week of September, 2023.

This Student Database Management System (SDMS) keeps track of the enrolment and results of the students in school. Under this module, schools have to update the progression activity of students from 2022-23 to 2023-24. According to the module, each student has to be updated on result, marks obtained, number of days attended by the student, continued in the existing school or taken TC. In this regard, school users have already been created under UDISE+ portal and school can easily update each student at their own through mobile or computer. In this regard online videos have been prepared and uploaded on the link:- www.samagrashiksha.hp.gov.in/homeContent/76/20.

Therefore, you are directed to instruct all the Schools (Govt. & Pvt.) under your control to update the SDMS data (Progression Activity) at UDISE+ by 25th of September, 2023 so that same could be completed in time.
