**Pariksha Pe Charcha 2026 -registration and Participation of students,
teachers and parents of students thereof.**

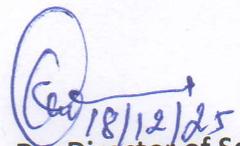

Sir/Madam,

This is in reference to virtual meeting held on 18-12-2025 and guidelines issued by higher authorities on the subject cited above.

In this context it is to inform you that it is mandatory to register all students from 6th to 12th and teachers on <https://innovateindia1.mygov.in>
The parents of students may also be motivated to register on the same way on above mentined portal. To ensure fast registration of students, teachers and parents, as it is time bound matter, you may do the following task:

1. Each Cluster Head will ensure the students, teachers and parents registration of own school and under cluster schools.
2. IT Teachers and JOA (IT) shall register all the teachers of school and then classes may be assigned them to register the students.
3. Registration record will be maintained at Cluster level school on daily basis simultaneously.
4. Schools where IT teachers are not available, any computer/ mobile friendly teachers may be assigned the registration task.
5. Students registration has 2 options i.e. self registration or registration by teacher. Teacher can register multiple students. If students opted self registration then class teachers have to confirm it from portal or screen shot from students.
6. Students and Teachers registration is target oriented and based on the real strength whereas in case of parents it is motivational based.
7. Google Sheet will be floated to collect the registration numbers.

Note: Questions asked from Hon'ble Prime Minister (option in the portal) is optional. Only valuable questions from students may be taken/consider at the time of registration.
