School Education (Secondary / Elementary) of Himachal Pradesh

Subject: Regarding urgent completion of Student Progression and Import activities on the UDISE+ Portal to rectify VSK Portal (Swiftchat) attendance data.

Respected Sir/Madam,

With reference to the ongoing monitoring of educational data portals, it has observed by the worthy Director of School Education that student attendance registration on the VSK Portal (Swiftchat) is currently not up to the mark.

Please be reminded that the attendance and enrollment data on the VSK portal is fetched directly from the UDISE+ system. Due to significant delays in completing the student progression activity and other relevant UDISE updates at the school level, student records are failing to sync correctly, resulting in inaccurate or incomplete attendance data on VSK.

In view of the above, you are hereby requested to immediately issue strict directions to all School Heads under your jurisdiction to expedite the following activities on priority:

- **UDISE+ Student Progression Module:** Ensure 100% completion of the progression of students from the previous academic year.
- **Student Import Module:** Promptly clear any pending student migrations or imports to ensure active enrollments are accurately reflected.

Given the time-sensitive nature of this data integration, all pending portal activities must be completed till 5th July, 2026. Non-compliance or further delay will be viewed seriously.
